INDEX FOR ERA HEADLIGHTS

VOL. 12 JANUARY - DECEMBER 1950

ERA HEADLIGHTS IS PUBLISHED MONTHLY BY THE ELECTRIC RAILROADERS ASSOCIATION, INC.

LACKAWANNA TERMINAL, HOBOKEN, N. J.

INDEX PREPARED BY GEORGE BRINCK

NOTE: A list of abbreviations used will be found at end of Index.
The Index is divided into two parts: Part 1 is arranged
grographically; Part 2 is arranged by subjects and topics.
The first column after each item indicates the month of
the issue, while the second column gives the page.

(N) Indicates Items with Maps; (I) Indicates Illustrated Articles

SPECIAL INFORMATION FOR READERS:
All material offered for publication, whether news items, feature write-ups, histories, photos, rosters, etc. should be sent directly to the Editor-in-Chief.

We endeavor to distribute the HEADLIGHTS regularly, but delays may result from forces beyond our control, such as lack of manpower, irregularities in mail and transportation, printers' delays, etc. At such times we rely on the patience of our readers.

The Hoboken headquarters are open regularly every Tuesday evening - 8:00 to 10:30 PM - dinner session at 6:30 PM. HQ is also open at other but irregular hours. Visitors are urged to write in advance for arrangements to meet members of the staff. Guides for inspection of electric railway networks in the New York area can also be arranged for in advance.

Phone: - Hoboken-4-9120
