San Francisco Bay Area Rapid Transit (BART) rail service connects the San Francisco Peninsula with Oakland, Berkeley, Fremont, Walnut Creek, Dublin/Pleasanton, and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

Fare Information effective January 1, 2016 Children 4 and under ride free. Everyone else must have a BART ticket.

BART tickets are like debit cards with stored value. When you take a BART trip, your fare is deducted from the ticket automatically until the stored value is used up. Fares are based on distance traveled. Fare charts are located beside each ticket machine. All BART stations have automatic ticket vending machines that accept nickels, dimes, quarters, and \$1 coins, as well as \$1, \$5, \$10, and \$20 bills. You can also use credit and debit cards in select machines.

When you enter BART, insert your ticket into the fare gate and it will be returned to you. Use the same ticket when you exit. The correct fare will be automatically deducted and tickets with remaining value will be returned. If your ticket has too little value, a sign on the fare gate will read "Underpaid: Go to Addfare." A nearby Addfare vending machine will tell you how much additional fare you must add to your ticket to exit the BART system.

Discount Ticket/Smart Card Types BART offers various discounts ranging from 6.25% to 62.5%. Discount tickets are only sold online, through the mail, and at selected retail vendors throughout the Bay Area, including inside BART stations at Embarcadero and Lake Merritt.

BART Red* Ticket 62.5% discount for persons with disabilities. Medicare cardholders and children 5 to 12 years: \$24 ticket for \$9. BART Green* Ticket 62.5% discount for seniors 65 years and older: \$24 ticket for
