ELECTRIC RAILROADERS' ASSOCIATION, INC.

P.O. BOX 3323 NEW YORK, N.Y. 10163-3323

PRESENTING THIS MONTH:  
JOSHUA GOLDWITZ

---

The June meeting of the Electric Railroaders' Association will be held on Friday, June 15, 2012 at the St. John's University Manhattan Campus building, at 101 Murray Street, between Greenwich and West Streets, in downtown Manhattan. The University is a three block walk [1-1/2 blocks south and 1-1/2 blocks west] from the Chambers Street station of the West Side IRT Subway. The doors open at 6:15 PM, and the meeting commences at 7:15 PM. Bring your 2012 membership card with you for admission. THE DOOR FEE FOR NON-MEMBERS IS \$5.00. *If you are not sure whether there will be a meeting (because of inclement weather, for example), please call the St. John's University toll-free hotline at (800) STJ-2499 on the scheduled meeting date.*

## PROGRAM

Josh Goldwitz will present our June program. Josh will cover several rail systems he travelled on during a recent trip to Japan. These include the Nagano and Tokaido Shinkansen, conventional services such as the Nagano Electric Railway and Narita Express, and Tokyo-area services including the Yurikamome and Yamanote lines.

The journey will feature a range of electric rolling stock, ranging from rubber-tired metro vehicles to narrow-gauge tilting intercity trains to the latest high-speed trains. Josh will also share a few tips on using the Japan Rail Pass and highlight a few of the technologies that make the Series N700 one of the most advanced high-speed fleets in the world.

This show, from a new presenter, is not to be missed. Please join us on June 15.

## NEXT THREE MONTHS' PRESENTERS

• July 20, 2012 – Marc Glucksman; August 17, 2012 – Paul Gawkowski; September 21, 2012 – To be announced

## MONTHLY ERA MAILINGS

Because of the extremely high cost to send regular monthly mailings via first class, ERA recently began utilizing a less expensive mailing class as an alternative. After a few months of the new system, it appeared that mailings were taking on average one to two weeks longer than in the past. Accordingly, the Board has decided to return to using first class mail. Nonetheless, we encourage those of you who receive mailings via mail to strongly consider switching to email delivery if possible, joining the hundreds of other members who already receive their mailings via email, especially since the increasing cost of postage might result in an increase in the dues in the near future. Receipt via email has been on a timely basis and use of email saves ERA considerable moneys. If you want to switch to email delivery, please email [subscriptions@erausa.org](mailto:subscriptions@erausa.org).
