Program

The presenter at our May meeting will be **Nick DiBari** (ERA #6261). Nick's digital slideshow will be a large collection of his photos from several trips he has made in the last few years, including Indiana, Cleveland, and Montreal. There will also be scenes from two of the great "streetcar cities," New Orleans and Toronto. Nick has made several journeys to Toronto, documenting not only their extensive streetcar network, but their impressive subway and commuter rail systems as well. If time permits, he will also show various photos from our own subway system here in New York. Please join us for a wonderful presentation!
