

Clark Frazier | April 21, 2023

Our April program will be presented by **Clark Frazier**. Clark will be showing some of his most favorite slides, starting in 1956, of electric streetcars and interurbans. Locations all over the U.S., Canada and Mexico will be seen as well as Costa Rica and, in Europe, the Czech Republic, Portugal and Yugoslavia.

A native of central California, Clark graduated from the Massachusetts Institute of Technology with a master of science degree in transportation but spent most of his career in the field of information technology. He started taking color slides in 1956 and continued to do so until 2000. He has traveled extensively in Central and South America as well as Europe and Asia.
