Program

Gary Grahl, ERA #2823, will present a Super-8 movie program entitled, THE RETURN OF THE STREETCAR, featuring films, taken by himself and son Andrew, of some of the new streetcar, light rail, and heritage trolley systems that have returned to the American public transit scene in recent years. The films include Tampa, Detroit, Houston, Galveston, Austin, Little Rock, Cincinnati, Memphis, and if time permits, Newark. You will see these new lines in operation, including some opening ceremonies and first runs. As our longtime members know, Gary's movie nights are always a highlight of the year. Come join us and see why!
