

MTA-NYC TRANSIT CONEY ISLAND SHOPS VISIT & TOUR

The New York Division, Electric Railroaders' Association, is pleased to announce a visit to MTA-NY City Transit's Coney Island Complex in Brooklyn on **Sunday, June 13, 2004**. The Complex, known as the Coney Island Shops, is one of the largest transportation facilities in North America. The Complex first opened in 1926 and occupies 75 acres of land.

All attendees will meet at the main entrance to the Complex, which is located on Shell Road (McDonald Avenue), a short distance south of its intersection with Avenue X and 86th Street. You must be at that entrance no later than **11:00 a.m.** that morning. The entrance can be reached by taking the F train to the Avenue X Station. Upon leaving the station, walk south (same direction as F trains headed towards Coney Island) from Avenue X along the west side of Shell Road until you reach the entrance, which will be on your right. Those driving will have to find on-street parking. B1 and B4 buses also serve this area. In anticipation of the possible need for security clearance for all attendees, please have a photo ID in your possession.

It is expected that the visit and tour will last approximately two to three hours. As the tour will take place during lunch time, we suggest you plan to eat on your own just prior to arriving at the Complex or be prepared to wait until the tour is over for lunch on your own. We do suggest that, following the tour, you may want to take the F train over to Stillwell Avenue, as it is expected that F and Q train service will begin to the rebuilt Stillwell Avenue station or or about May 23rd.

Join us for a very special visit and tour of this important maintenance facility. The ticket price for the visit and tour is only **\$15.00**. Please note that this is a Sunday trip (and not Saturday). For further updates and information, please call (718) 784-3643 evenings. This visit and tour operates rain or shine.

DEPARTURE TIMES

Each attendee is responsible for being at the trip starting point several minutes prior to the scheduled meeting time. With regard to the specified meeting time, you should be aware that numerous g.o.'s are frequently in effect on the subways almost every weekend and these may delay your normal trip from your home or connection to the trip departure point. Travel by bus is always subject to possible delays. It is your responsibility to check for g.o.'s and other service notices that may affect your trip beforehand, so that you can plan your arrival time with plenty of cushion to spare. There will be no ticket refunds for failure to show up on time.
