

JOIN THE NYD-ERA FOR A

MTA-NYC TRANSIT CONEY ISLAND SHOP TOUR

SATURDAY, NOVEMBER 3, 2012

The Electric Railroaders' Association is pleased to announce a visit to NY City Transit's Coney Island Shops in Brooklyn on **Saturday, November 3, 2012**. Each of you is no doubt familiar with this huge complex, where thousands of subway cars are maintained and overhauled for service on all subway divisions.

All attendees will meet at the main entrance to the complex, which is located along Shell Road, just south of the southwest corner of Shell Road and Avenue X. You must be at that entrance no later than **11:00 a.m.** that morning. The entrance can be reached by taking the F train to Avenue X and then walking south along Shell Road to the complex entrance. It is expected that the visit and tour will last approximately two hours. Representatives from New York City Transit will be our hosts to point out interesting features of the shop and its various subdivisions. See how subway cars are kept in good repair from the wheels up. Many different classes of cars should be in the shop undergoing various kinds of renewal, both mechanical and cosmetic.

New York City Transit has instituted new security procedures in 2012 for visits to its facilities by groups such as ours. Please see the Security Requirements Note on the back page of this flyer. We must comply with these new procedures to be able to conduct trips like this one.

Join us for a very special visit and tour of this important maintenance facility. The ticket price for the visit and tour is only **\$20.00**. Please write your email address legibly below so we can notify you if there are any changes in the arrangements detailed above. This trip operates rain or shine.

DEPARTURE TIMES

Each attendee is responsible for being at the departure point(s) several minutes prior to the scheduled departure time. With regard to the initial departure times, you should be aware that numerous g.o.'s are frequently in effect on the subways almost every weekend and these may delay your normal trip from your home or connection to the trip departure point. It is your responsibility to check for g.o.'s and other service notices that may affect your trip beforehand, so that you can plan your arrival time with plenty of cushion to spare. There will be no ticket refunds for failure to show up on time. It is important that you adhere to announced return departure times.
