Once more, the Electric Railroaders' Association, Inc. is disposing of excess inventory from its Sprague Library for sale to its members. Yes, they were in our files for many years and we are proud to offer them to our members, so they will be able to enhance their own collections by purchasing them for their own use.

No transit enthusiast will want to be without these rare items in their own libraries. We are offering this package for \$30 for shipment anywhere in the United States or for \$37 to Canada and all other countries. Don't be disappointed; fill out the coupon below and send it along to us with your check or money order. No cash, please. Listed below is a description of the material offered:

A Souvenir Brochure of the "Old Fashioned Subway Ride" fantrip of Saturday, August 5, 1972, 36 years ago. It includes a copy of the usual General Order, a copy of the 1942 IRT Division Board of Transportation Map, and photographs of Low Voltage cars. However, it also includes an April 18, 1955 Supplement to the Weekday 3rd Avenue El employees timetable (7 pages), a list of distances and running times dated 1/29/54 and a 1/4/54 list of all Manhattan Division Marker codes, and finally a list of First and Last Through Trains on the 3rd Ave. El, dated 1/21/55. Extremely rare and a must in your collection!

A map showing recommended routes for the Broad St. Subway extensions in Philadelphia in 1949, 8 1/2x11.

A track plan of the Chicago & West Towns Ry. in 1945 by Marvin Landsman. 8 1/2 x 11, includes all car houses, power houses, mainline railway crossings and track connections to the Chicago Surface Lines.

A complete track map of the Montreal Tramways Company showing all trackage as of December 1948. Data is by Anthony Clegg and drawn by Omer S.A. Lavallee. 8 1/2" x 11." Rare, indeed.

A route map of Sacramento RT's proposed Downtown-Natomas-Airport light rail line as of January 2008. It shows its relationship to major thoroughfares, location of stops and P+R lots. Very rare.

A track map of the Edmondton Radial Railways as of April 1949, showing tracks and lines abandoned before 1946, as well as car house track details and connections with mainline railroads. 8 1/2" x 11."
