145 GREENWICH STREET, NEW YORK, N. Y. 10006

(212) WO 2-0627

Dear Friends:

It is with regret that the Trip & Convention Committee announces that the 1967 Convention will not be held in Montreal. In its place Philadelphia has been selected for our July 1 to 4 meeting. In September of last year a Montreal hotel had been selected, and plans prepared for interesting fantrips. Late February saw our plans shattered into tiny pieces. The Vice President of the selected hotel appeared in our New York Office to inform us that it would be necessary to cancel their commitment. The Queen would be in Canada for the opening of the Expo 67 Fair and all space would be needed for government and business groups. We immediately attempted to find other accommodations, with letters being sent to local contacts, the Expo 67 housing headquarters LOGEXPO, and the Mayor of Montreal. It was, however, impossible to find substitute accommodations.

In Philadelphia we plan an outstanding Convention. Trips will be held on the Pennsylvania and Reading Railroads and the PTC. The Pennsylvania Railroad trip will prove to be quite a surprise when we announce the details. Make your plans now to be with us in Philadelphia! We are sure you will have the time of your life! Details will be in the mail shortly! Watch for them.

The Trip & Convention Committee

A Non-Profit Educational Organization Founded in 1934

Devoted to the History and Service of All Types of Electric Railways and Studying Their Progress Everywhere
