

# ERIE - LACKAWANNA

## ELECTRIC TRIP

### SATURDAY JUNE 10TH

On Saturday, June 10th the Electric Railroaders Association, Inc. will sponsor an Erie-Lackawanna Electric Trip. We will cover the entire electrified territory of the E-L; the Montclair, Dover and Gladstone Branches. To those who ride the electric trains, the branches provide a study in contrast. The Montclair branch has a semi-rapid transit flair, the Dover branch a heavy two track main line and the Gladstone the interurban line with passing sidings! Enjoy a day in the rolling hills of New Jersey!
