

ELECTRIC RAILROADERS ASSOCIATION, INC.

LONG ISLAND RAIL ROAD

SUNDAY, APRIL 20, 1969

The METROPOLITANS, the sleek new train of tomorrow will headline an unusual inspection trip over the electrified lines of the Long Island Rail Road. Many interesting and unusual photo stops are scheduled on the most interesting Branches. This will be the very first fan trip with these new and exciting cars that are viewed by many as the finest electric car in North America. This will be a memorable and interesting day with pleasant spring weather. A special movie run over Reynolds Channel in Long Beach, and a high speed run will be featured. Seating capacity is limited and you are urged to order your tickets early.
